

Lambe Lambe Puppet Theater.

With scenes from daily life, 45 children between 10 and 14 years old in Valparaíso participated in the first Children & Youth Show of Lambe Lambe Theater, arranged by OANI Teatro and backed up by Alianza Puerto Ciudad. These workshops allowed the children to learn storytelling, to create and decorate their own boxes, to make their own puppets, to musicalize and bring life to a self-created story, thus encouraging the children's creativity and interaction.
